DIRECTORY OF
MEMBER ORGANISATIONS

2017

Introduction/

Dear Friends,

We are hereby presenting the most up to date version of the member's directory.

As in previous years the first section includes international member organisations and sister networks. Regional structures and regional contacts follow on from this.

CCIVS national member organisations and branches of international organisations, defined by region, make up the rest of the directory.

With our very best regards,

CCIVS Secretariat
